Summary: DOC detected 0 items | PDF detected 1 items | AI confirmed 0 items

The system uses DOC + PDF + AI voting logic. AI serves as a third checker when DOC and PDF conflict. AI is skipped when DOC and PDF already agree.

Executive Summary

Overall Decision: **REJECT**

Main Reason: The manuscript is missing required template components or critically mismatched.

Critical Failed Items:

- Graphical Abstract
- English Abstract

- Introduction
- Methodology
- Results and Discussion
- Conclusion
- References

Items Needing Review:

- Article Title

Suggested Action: Author should revise the manuscript using the official Jurnal Teknologi template before proceeding.

Overall Result

Metric	Score / Value
Final Status	REJECT
Final Score	34/100
Structure Score	7%
Layout Score	11%
Formatting Score	93%
Detection Method	DOCX-First + Multi-Source AI (v5.7.1)
Decision	REJECT

How Items Are Evaluated

DOC + PDF + AI SKIPPED	PASS	Both deterministic detectors agree
DOC + PDF + AI CONFIRMED	PASS	All three confirm
DOC + AI	NEEDS REVIEW	DOC+AI confirm, but PDF layout conflicts
PDF + AI	NEEDS REVIEW	PDF+AI confirm, but DOC source extraction fails
DOC only	NEEDS REVIEW	DOC detects, but PDF+AI don't confirm
PDF only	NEEDS REVIEW	PDF detects, but DOC+AI don't confirm
AI only	NEEDS REVIEW	Only AI confirms (deterministic detectors failed)
None	FAILED	All three fail to detect required item

Status Explanation

- PASS** — Item follows the template structure, position, and formatting.
- WARNING/NEEDS REVIEW** — Item exists but evidence is inconsistent or layout differs from template.
- FAILED** — Required item truly missing after DOC/PDF/AI checks.

Expected: The 'Corresponding Author' section must exist.

Found: Detection method: not_found

Confidence: 0.00

Detection Method: not_found

DOC Detection: NO

PDF Detection: NO

AI Detection: NO

AI Confidence: 0.10

AI Evidence: Both DOC and PDF snippets are identical and only include a conflict of interest declaration, with no mention of author contact details.

Evidence Sources: None

Final Source Used: None

Status: **FAILED**

Reason: Required component 'Corresponding Author' was not found.

B. Layout / Coordinate Evaluation

Expected: Page 1, left-center area, upper area

Found: Not detected

C. Formatting Evaluation

Expected: Standard paragraph formatting.

Formatting Check: **PASS**

Reason: Formatting matches template expectations.

Overall Item Status: **FAILED**

Graphical Abstract [graphical_abstract]

A. Structure Evaluation (DOC + PDF + AI)

Expected: The 'Graphical Abstract' component must exist.

Found: Detection method: not_found

Confidence: 0.00
Detection Method: not_found
DOC Detection: NO
PDF Detection: NO
AI Detection: NO
AI Confidence: 1.00
AI Evidence: The image contains only a white background with no graphical elements or text.
Evidence Sources: None
Final Source Used: None
Status: **FAILED**
Reason: Required component 'Graphical Abstract' was not found.

B. Layout / Coordinate Evaluation

Expected: Page 1, left column, upper area
Found: Not detected

C. Formatting Evaluation

Expected: Image should be present.
Formatting Check: **PASS**
Reason: Formatting matches template expectations.
Overall Item Status: **FAILED**

English Abstract [abstract]

A. Structure Evaluation (DOC + PDF + AI)

Expected: The 'English Abstract' section must exist.
Found: Detection method: not_found
Confidence: 0.00
Detection Method: not_found
DOC Detection: NO
PDF Detection: NO
AI Detection: NO
AI Confidence: 0.10
AI Evidence: Both DOC and PDF snippets contain only a conflict of interest declaration with no Abstract content detected.
Evidence Sources: None
Final Source Used: None
Status: **FAILED**
Reason: Required component 'English Abstract' was not found.

Found: Not detected

C. Formatting Evaluation

Expected: Standard paragraph formatting.

Formatting Check: **PASS**

Reason: Formatting matches template expectations.

Overall Item Status: **FAILED**

Malay Abstract (Abstrak) [abstrak]

A. Structure Evaluation (DOC + PDF + AI)

Expected: The 'Malay Abstract (Abstrak)' section must exist.

Found: Detection method: not_found

Confidence: 0.00

Detection Method: not_found

DOC Detection: NO

PDF Detection: NO

AI Detection: NO

AI Confidence: 0.10

AI Evidence: DOC snippet and PDF snippet both contain only conflict of interest statements with no trace of Abstrak; both detectors returned NOT FOUND with zero co

Evidence Sources: None

Final Source Used: None

Status: **FAILED**

Reason: Required component 'Malay Abstract (Abstrak)' was not found.

B. Layout / Coordinate Evaluation

Expected: Page 1, left column, lower area

Found: Not detected

C. Formatting Evaluation

Expected: Standard paragraph formatting.

Formatting Check: **PASS**

Reason: Formatting matches template expectations.

Overall Item Status: **FAILED**

Kata Kunci [kata_kunci]

A. Structure Evaluation (DOC + PDF + AI)

Expected: The 'Kata Kunci' section must exist.

Found: Detection method: not_found

Confidence: 0.00

Detection Method: not_found

DOC Detection: NO

PDF Detection: NO

AI Detection: SKIPPED

Evidence Sources: None

Final Source Used: None

Status: **FAILED**

Reason: Required component 'Kata Kunci' was not found.

B. Layout / Coordinate Evaluation

Expected: Page 1, left column, lower area

Found: Not detected

C. Formatting Evaluation

Expected: Standard paragraph formatting.

Formatting Check: PASS

Reason: Formatting matches template expectations.

Overall Item Status: FAILED

Introduction [introduction]

A. Structure Evaluation (DOC + PDF + AI)

Expected: The 'Introduction' section must exist.

Found: Detection method: not_found

Confidence: 0.00

Detection Method: not_found

DOC Detection: NO

PDF Detection: NO

AI Detection: SKIPPED

Evidence Sources: None

Final Source Used: None

Status: FAILED

Reason: Required component 'Introduction' was not found.

B. Layout / Coordinate Evaluation

Expected: Page 1, left column, top area

Found: Not detected

C. Formatting Evaluation

Expected: Standard paragraph formatting.

Formatting Check: PASS

Reason: Formatting matches template expectations.

Overall Item Status: FAILED

Methodology [methodology]

A. Structure Evaluation (DOC + PDF + AI)

Expected: The 'Methodology' section must exist.

Found: Detection method: not_found

Confidence: 0.00

Detection Method: not_found

DOC Detection: NO

PDF Detection: NO

AI Detection: SKIPPED

Evidence Sources: None

Final Source Used: None

Status: FAILED

Reason: Required component 'Methodology' was not found.

B. Layout / Coordinate Evaluation

Expected: Page 1, left column, top area

Found: Not detected

C. Formatting Evaluation

Expected: Standard paragraph formatting.

Formatting Check: PASS

Reason: Formatting matches template expectations.

Overall Item Status: FAILED

Results and Discussion [results_discussion]

A. Structure Evaluation (DOC + PDF + AI)

Expected: The 'Results and Discussion' section must exist.

Found: Detection method: not_found

Confidence: 0.00

Detection Method: not_found

DOC Detection: NO

PDF Detection: NO

AI Detection: SKIPPED

Evidence Sources: None

Final Source Used: None

Status: **FAILED**

Reason: Required component 'Results and Discussion' was not found.

B. Layout / Coordinate Evaluation
